REMARKS

The present paper is submitted in response to the Office Action dated January 29, 2008, where the Examiner has rejected claims 1 – 4, 6 – 11, and 13 – 15 on the grounds of obviousness type double patenting in view of US 7,260,414. The Office Action also indicates reasons for allowance for pending claims 1 – 4, 6 – 11, and 13 – 15. In the present amendment, claims 1 and 15 have been amended for clarity and new dependent claims 16 – 20 have been added. Accordingly, claims 1 – 4, 6 – 11, and 13 – 20 are pending in the present application, with claims 1, 8, and 15 being the independent claims. Entry of the amendment and allowance of all pending claims are respectfully requested.

A. <u>Double Patenting</u>

Enclosed with this paper is a terminal disclaimer to overcome the double patenting rejection of pending claims 1-4, 6-11, and 13-15. Applicant believes that the pending claims 1-4, 6-11, and 13-15 are now in condition for allowance and a notice of allowance is respectfully requested.

B. <u>Amendments</u>

Claims 1 and 15 have been amended for clarity. Applicant respectfully requests entry of the amendment and a notice of allowance for all pending claims.

C. <u>New Claims 16 – 20</u>

New dependent claims 16 – 20 have been added that depend from allowed independent claims 15. Because claims 16 – 20 further refine allowed independent claim 15, Applicant requests entry of the new claims and a notice of allowance including new claims 16 – 20.

D. Conclusion

For all the foregoing reasons, an early allowance of claims 1 - 4, 6 - 11, and 13

- 20 pending in the present application is respectfully requested. If necessary,

applicant requests, under the provisions of 37 CFR 1.136(a) to extend the period for

filing a reply in the above-identified application and to charge the fees for a large entity

under 37 CFR 1.17(a). The Director is authorized to charge any additional fee(s) or any

underpayment of fee(s) or credit any overpayment(s) to Deposit Account No. 50-3001 of

Kyocera Wireless Corp.

Respectfully Submitted,

Dated: April 14, 2008
